### **Stirling-Rawdon to begin search for new CAO**

Stirling-Rawdon, ON

Mayor Bob Mullin confirmed today that Roxanne Hearn, CAO is no longer employed by the Township of Stirling-Rawdon as we have mutually agreed to part ways.

"The Council of the Township of Stirling-Rawdon would like to acknowledge the contribution that Ms. Hearn has made to the municipality during her tenure and we wish her well in her future," said Mullin.

Mayor Mullin confirmed that current Municipal Clerk, Kathy Pearl will take on the role of Acting CAO while a search for a new CAO is undertaken.

The public can expect that service delivery will be uninterrupted during the search for a new CAO.
