Request for Proposal

Water/Sewer Rates Study

April 25, 2019

**Embracing the Future while
Remembering our Past**

The Township of Stirling-Rawdon are seeking proposals to update their Water and Sewer Rates, which will reflect the Asset Management Plan and the Infrastructure Study.

We are requesting that a model be designed to reflect the needs of the system which will reflect accurate rates for 2020 and future years. A template will be provided to the Township to assist with rate updates in future years.

Please refer to our infrastructure study on our website <https://www.stirling-rawdon.com/wp-content/uploads/2019/01/Stirling-Water-and-Wastewater-Capacity-Assessment-Report.pdf> which will assist with building a model to establish accurate rates.

All RFP's must be received by sealed envelope no later than May 31st, 2019 at 1:00 pm to:

Roxanne Hearn, AMCT
CAO-Treasurer
Township of Stirling-Rawdon
P.O. Box 40
2529 Stirling-Marmora Road
