Tawnya Donald, Clerk

**MOTION #1**

Moved by Councillor Solmes

Seconded by Councillor Watson

“That Council go into a public meeting to review and update the Integrated Community Sustainability Plan.” Carried.

The Mayor welcomed everyone giving a brief history of the Stirling-Rawdon Integrated Community Sustainability Plan. He noted that the present Council has reviewed the plan and with to obtain public input on their goals to further enhance and update the plan.

**Review of Proposed 2019 Municipal Budget**

The Mayor provided a power point presentation on the top ten priorities as determined by Council for public review and further discussion as follows:

- 1) Roads & Infrastructure need to be brought up to date;
- 2) Asset Management;
- 3) Upgrade George Pumping Station;
- 4) Replacement of the storm sewer under Mill Street businesses;
- 5) Complete the walking trail system (Green Routes) and fill in with parks;
- 6) Pursue joint services for cost savings;
- 7) Conduct a review of development;
- 8) Green waste pickup;
- 9) Age friendly housing/ activities;
- 10) Energy from waste plant (incinerator).

Discussion ensued.

**MOTION #2**

Moved by Councillor Solmes

Seconded by Deputy Mayor Hagerman

“That there being no further business the Public Meeting be adjourned.” Carried.
