

Township of Stirling-Rawdon
is currently seeking applicants for the position of
Summer Student (4)
Within the Public Works, Environmental and Beautification
Departments

Applicant must be a student returning to secondary or post-secondary education in September 2023. These positions are seasonal and will require you to work outside with very little indoor work.

We are seeking two summer students to work in the Public Works Department as Student Labourers with the following tasks – Road maintenance, Sign Inventory and Cemetery Mapping. These positions will report to the Public Works Manager.

We are also seeking two summer students to work in the Environmental and Beautification Departments as Student Labourers with the following tasks – Park Maintenance Labourer, Painting fire hydrants, landscaping maintenance/beautification of our downtown business area, beautification of the entrance ways to the village and maintaining all of the grass cutting at our various locations. These positions will report to the Environmental Manager and CAO.

Interested parties should forward their resume and references, by e-mail to the undersigned no later than Thursday, March 30th, 2023, at 1:00 pm. All applications should be clearly identifying which student position they are applying for.

Roxanne Hearn, AMCT
CAO/Treasurer
